Overview

MEDIATION

We feature four impressive practitioners in this chapter who stand out in the Italian market for their excellent work acting as mediators in a variety of commercial disputes.

Giovanni De Berti at De Berti Jacchia Franchini Forlani Studio Legale is a “prominent figure in the international mediation community” and is “highly recommended for inclusion”.

Marcello Marinari at ADR Center is an extensively experienced practitioner who

is internationally regarded as an expert in alternative dispute resolution.

Alessandro Bruni at Concilia is “a very well-known mediator” who stands out for his top-tier practice. One peer effuses: “He is one of the real fathers of mediation and ADR in Italy.”

Sources call **Antonia Marsaglia** of Studio Legale Marsaglia “an excellent mediator”. She covers a wide range of disputes in her top-tier practice, including commercial contracts, international transactions, and corporate structures and trusts.

DIRECTORY

Nominees have been selected based upon comprehensive, independent survey work with both general counsel and mediation lawyers in private practice worldwide. Only specialists who have met independent international research criteria are listed.
